

DOMINICAN REPUBLIC: END RACIST DEPORTATIONS OF HAITIANS (UA 88.24)

Dear President Luis Abinader,

I urge you to stop the racist deportations of countless Haitian migrants, asylum seekers, and Dominicans of Haitian descent in the Dominican Republic.

The announced increase of deportations poses a serious risk of racial profiling, collective expulsions, and other human rights violations.

I call on your government to immediately end the practice of collective expulsions and ensure that migration policies and practices respect and protect everyone from racial discrimination and comply with Dominican Republic's international human rights obligations.
